JOIN OUR MISSION

Support Shriners Children's Texas at the 1st Annual Trot for LOVE! This scenic 1- mile walk goes through the historic east end of Galveston and concludes at the hospital with a fun, family-friendly carnival. Every dollar raised supports our hospital and ensures kids with acute burns, orthopedic conditions, and cleft lip and palate receive world-class care, regardless of a family's ability to pay.

PARTNER WITH US

By partnering with Shriners Children's™, your company or organization has the high-profile opportunity to engage on a national or local level with one of the most renowned names in pediatric healthcare. Our team will work with you to develop customized benefits that help you reach your philanthropic goals, while promoting a positive corporate image, building employee morale and engaging your target market in a cause that has transformed the lives of children worldwide for 100 years. Whether you're a large corporation, professional organization, small business or university, your partnership will help us provide exceptional healthcare through innovative research in a patient and family-centered environment.
